Post British Age Bands, review performance, active recovery, general training to include drilling, technical development and basic aerobic conditioning					ETD assessment and testing, strength development				Situation randori, training contests, competition simulation				Consistent competition performance, post competition review, maintenance training, with the aim to perform consistently in domestic competition				International competition performance, exposure to high level competition, training camps and various styles of opponents				Rest & recovery, prep for Peak phase		Experience of executing a peaking phase to place an emphasis on preparing for a single tournament in order to perform at your best on competition day				Rest, recovery, holiday and ideal training period to focus on technical development, general conditioning, strength development etc to develop a foundation for second part of competition year				Experience of executing a peaking phase to place an emphasis on preparing for a single tournament in order to perform at your best on competition day				Post British Age Bands, review performance, active recovery, general training to include drilling, technical development and basic aerobic conditioning				ETD assessment and testing, strength development																								

ENGLAND ExCELL : Hajime - Matte Model / Fundamental Judo Skills Focus

ENGLAND ExCELL : Free Practice and Physical Development Focus

Transition	Preparation	Pre-Competition	Competition 1	Competition 2	PEAK
Long Distance Randori : 6 - 20mins Randori : Yaku Soko Geiko : 3 - 7mins Randori : Kakari Geiko-Technical Situation	Randori : Kakari Geiko-Technical Situation Randori : Tactical Situations Randori : Open Practice	Randori : Pressure Training/Situations Randori : Kakari Geiko-Technical Situation Randori : Competition Simulation Randori : Segmented Training : 3 - 5mins	Randori : Kakari Geiko-Technical Situation Randori : Pressure Training/Situations Randori : Contest Specific Randori : Tactical Situations	Randori : Pressure Training/Situations Randori : Competition Simulation Randori : Contest Specific Randori : Tactical Situations	Randori : Situations Randori : Competition Simulation Randori : Contest Specific Randori : Segmented Training : 3 - 5mins
Development of the AEROBIC System : Roux Conditioning Fartlek & Distance Runs : 2 - 4miles BW Strength & Technical Lifting	Aerobic and Strength Endurance : MAP: Maximum Aerobic Power: 10 to 20mins Circuit Training BW Strength & Technical Lifting	Anaerobic Speed Coordination/Plyometric/Contrasts Combination Conditioning & Circuit Training	Anaerobic Speed Velocity/Plyometric/Contrasts Combination Conditioning & Circuit Training Post Competition Recovery	Anaerobic Speed Velocity/Plyometric/Contrasts Combination Conditioning & Circuit Training Post Competition Recovery	Aerobic and Anaerobic Development : MAP: Maximum Aerobic Power: 10 to 20mins Combination Conditioning & Circuit Training Plyometric/Max Speed

Mesocycle Phase	Wks Description
Transition	10 : to focus on specific development and opportunity to learn ie - technique(s), flexibility/agility, aerobic fitness, basic strength development etc
Preparation	13 : to develop a foundation of technique, tactics, fitness and strength
Pre-Competition	4 : to develop competition conditioning and prepare for forthcoming competition phase
Competition 1	7 : to experience back to back competition and focus on consistent performance
Competition 2	7 : to experience international competition and exposure to European styles of Judo
PEAK	12 : to experience and understand preparing for a Peak Performance
Recovery	2 : a vital component of the annual plan - a time to take time out, holiday, engage in low level training

ETD TESTING Programme
4 Times per Year
Wk Event
44 Sheffield Assessment Camp
7 Training Camp - EIS
15 Training Camp - Kendal
35 Training Camp - Kendal

This Periodization Plan is to provide a guideline for organising and planning an Annual Plan. Coaches should use their own knowledge and expertise to determine the components and contents of each training phase to meet the needs of their players

Definition of Insanity - "Doing the same thing over and over again and expecting to achieve different results" : Albert Einstein

U20 : Training to Compete

Periodisation Plan - TRAINING TO COMPETE TO WIN : Oct 2011 - Dec 2012

Macro Cycle : 2012 Annual Plan
